GEORGE NULL CLUB PERSON OF THE YEAR

John (Left) receives the award from AHSTC President Ray Donovan.

Congratulations and thanks to John Heffron from the Philadelphia region who received the 2016 George Null club person of the year award. John was “the” driving force for AHSTC for the 2015 Enclave event that took over two years to plan and it was a great event. In addition John has been President of the Philadelphia region and an avid supporter of the club and marque.

Nigel Smart and the Encounter planning team set up a "high Tea" event. It was a very popular event and everyone had a great time.

THANK YOU FROM CHUCK OTT

Well, it was a great Encounter!

The Brandywine region came through again, even though we are the smallest region in the club. Thanks to all who contributed, especially Encounter chair Dave Ehret. It was great to connect up with Healey friends at this annual meet, and it takes a lot of work to put on something like this. I hope you did too.

*Encounter in Brandywine is not Encounter without
Clint and Sue Hatton at registration.*

2016 ENCOUNTER VALVE COVER RACES “LUUKE. . .I AM YOUR STARTER!”

Article and images provided by Jim Cox, Chief Judge

The room buzzed with anticipation...or annoying insects. It was Friday, August 5th in sweltering New Castle, Delaware, the track was in place and the drivers anxious. The Pride of Encounter Traditions was about to start!! By that, I mean Valve Cover Racing.

This year's event was adjudicated by a veteran team: Linda Cox, Tech Inspection and Scoring; Fred Sherk, Finish Line Judge; Jon Arndt, Starter and Starting Line Judge and Jim Cox, Chief Judge and Announcer. As always, the event was sanctioned by the American Association of Valve Cover Racers (AAVCR) headquartered in Tappahannock, Virginia.

The field competitive thinned a bit this year as the grand children of the Sherks and Spears have moved on to other diversions. As always, a few new competitors joined the fray. Our 9 official VCRs were divided into Junior and Senior Stock Classes. Luke Sousa, actually running a Modified Junior VCR was added to the Sock Juniors since he had no other competition as a modified. Our double elimination event was off starting with the Juniors, moving to the Seniors and finally a best of 3 runoff between the two class winners to crown a Grand Champion.

It is worthy of note that Bob Preston picked up the very successful racer from his daughter Emily. That particular racer was designed and built by the late Baird Foster and has always been a crowd favorite.

Without further delay, the class results were as follows:

Junior Stock:

3rd: Andrew Perna; 2nd :Jackson and Brady Houseman; 1st: Luke Sousa

Senior Stock:

3rd : Rich Ippoliti; 2nd : Joe Spear; 1st : Bob Preston

Let me note here that young Luke was somewhat less than a year old but both wise and crafty beyond his "years".

The Grand Champion runoff was tense. Luke won the first race handily. Against the ropes, Bob pulled out a miraculous victory in race two—suggestions were made with regard to a helpful push from an unseen hand.

In the end, Luke prevailed on the third and final run thus capturing the title of Grand Champion. It seemed that he knawed his binky with great satisfaction.

Until next year, keep 'em rolling and keep the rubber side down!
